### **When Is the Perfect Time?**

Any tour or trekking to make it memorable is, in fact, depends on the season. To make the best choices in trekking touring season is a must. Like other Pikey Peak trekking also can make a beautiful and memorable by choosing the great trekking season.

Most of the trekking route in Nepal is recommendable in the spring season which means undertaking the trekking in March to May is comfortable with fresh snow on the top of mountains. Including other alpine flora and fauna, the rhododendron flower is blooming below the snowcapped mountains. It is astonishingly beautiful. So far, if the concern is over the best season, autumn - September to November – is literally the best one. At this time, the weather is pleasant, sky is clear so wide ranges of the himalayas can be seen clearly even far from the distance.

Despite the fact the weather is not ideal, trekking into the Pikey Peak is somehow ok. Trekkers will really be less in number which grants the individual time to enjoy nature. However, in the monsoon and winter seasons – because of the regular rain and the snowfalls the visibility and, in fact, both – winter and summer – are less in common.

- Respect local customs, especially when visiting monasteries. Do not take photos inside monasteries unless permitted, and always ask for permission before photographing people or children.
- Avoid eating fruits or vegetables unless they have been peeled or cooked.
- On popular trekking trails, you will likely stay in teahouses, which offer basic accommodations like a bed, blanket, and hot food. Do not expect luxury.

### **Few testimonials from our guest for this trek**

#### **Jesse, England**

Going on the Pikey Peak Trek solo was a decision I will cherish forever. Aaozora Travel & Tour crafted an itinerary that allowed me to immerse myself in the serene beauty of the Himalayas. The trek was moderately challenging, with the ascent to Pikey Peak being the highlight. Standing at the peak, surrounded by prayer flags and panoramic views of Everest, Annapurna, and Kanchenjunga, was a moment of pure awe.

The cultural richness of the Sherpa villages and the monasteries provided a profound sense of peace and connection to the region. I was deeply impressed by the professionalism and warmth of my guide, whose knowledge and passion for the Himalayas were inspiring. Special thanks to Mr. Indra, the founder of Aaozora Travel, for organizing such a memorable journey. This trek was a perfect escape into nature and spirituality, and I highly recommend it to anyone seeking a unique trekking experience.

#### **The Xiang Family, USA**

My family and I recently embarked on the Pikey Peak Trek with Aaozora Travel & Tour, and it was an unforgettable experience. From the moment we arrived in Kathmandu, the team was incredibly welcoming and attentive. The trek itself was a perfect blend of challenging yet manageable trails, making it ideal for our family. The climb to Pikey Peak was strenuous, but the panoramic views of the Everest region, including Mount Everest and Kanchenjunga, were absolutely breathtaking and made every step worth it.

We were particularly moved by the rich Sherpa culture and the beautiful monasteries we visited along the way. The hospitality we received at the guesthouses was heartwarming, and the local cuisine added a delightful touch to our adventure. Special thanks to our trekking leader, who guided us with expertise and care, and to the director, who ensured everything ran smoothly. This trek was a remarkable journey into the heart of the Himalayas, and we are grateful to Aaozora Travel & Tour for making it possible.

(also, we had chosen to go on private joining instead of group)

**Christina and Kenji, Japan**

My husband and I recently completed the Pikey Peak Trek, and it was a spectacular adventure from start to finish. The less-crowded trails offered us the perfect opportunity to enjoy the natural beauty of the Everest region in solitude. The trek was challenging at times, especially the climb to Pikey Peak, but the stunning views of the Himalayas made it all worthwhile.

During our journey, my husband caught a cold, and we were initially worried about completing the trek. However, the Aaozora Travel & Tour team handled the situation smoothly and professionally. Our guide, Mr. Pasang, ensured that my husband received proper care and adjusted the pace of the trek to accommodate him. Thanks to their attentiveness and expertise, we were able to continue and finish our trek without any issues.

We are immensely grateful to our trekking leader, Mr. Pasang, for his excellent guidance and support, and to the entire Aaozora Travel & Tour team for their exceptional organization. This trek was an enchanting blend of adventure and culture, and we couldn't have asked for a better group to share it with.

The sunrise from Pikey Peak, with its stunning vistas of Everest and other majestic peaks, was a moment we'll never forget.

We cherished the intimate cultural experiences, from staying in quaint guesthouses to visiting serene monasteries. The hospitality we received from the locals was heartwarming. Special thanks to our trekking leader, Mr. Pawan, for his thoughtful guidance and to Ms. Garima Duwadee for ensuring our journey was flawless.
