As for the refunds, we are sorry to inform you but we will not be able to give you 100% refund, the 25% of the initial deposit which you have made when confirming your booking will not be refunded. This fund will be considered as cancellation fee.

Hence, we suggest that you postpone your trip to a later date which will not cost you a penny instead of cancelling, doing so will not be a loss to you as well.

1. Booking and acceptance

Upon acknowledging the terms and conditions for booking any of the introduced or related touristic services, the client must fill out an online booking form to provide the necessary information that the company further needs for applying the trekking permits, climbing permits, hotel bookings, ticket bookings, etc. Or the information can be sent from the email ID of the organization which has been carried in general communication.

2. Changes in the itinerary under Delays of Flight

Most domestic flights to and from Kathmandu are subject to unexpected cancellations due to the unpredictable Himalayan weather conditions in Nepal. Flights directed to Kathmandu from Lukla, Phaplu, or Jupal are particularly prone to cancellations, requiring passengers to wait for a day or even a few days until the weather improves.

If a scheduled flight is cancelled at Lukla, Phaplu, or Jupal airports, dinner with night accommodation at a local guesthouse near the airport will be arranged by Aozora Travel and Trekking for the night of the cancelled day, and if the cancellation continues therefrom the day all the expenses will be the responsibility of the client itself.

If a flight is bound for a remote area from Kathmandu, Nepalgunj, Pokhara, Dhangadhi, or Bhairahawa, any expenses incurred due to cancellation will be the responsibility of the client. This also applies to flights bound for any of the airports mentioned in the preceding line.
